ESG Interfaces

SPS ESG policy is underpinned by its policies and core values

SPS 3 x core values are 'People values' rather than 'Company Values' as SPS Management believe values are lived and must be natural. These are:

PEOPLE VALUES

- Help others,: help all parties from clients, work colleagues, family, friends and people in the community
- Give 100%: always give one's best to clients, family or one's own individual tasks
- Honor Commitments: fulfill ones' commitments made to people from all parts of life
